

**BEFORE THE OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO**

IN THE MATTER OF PROPOSED ) CAUSE NO. 1R  
CHANGES TO THE RULES AND )  
REGULATIONS OF THE OIL AND GAS )  
CONSERVATION COMMISSION OF ) DOCKET NO. 0803-RM-02  
THE STATE OF COLORADO )

**JOIN IN NOTICE OF OBJECTION TO EXECUTIVE SESSION**  
**BY M. SUE SHERIDAN JARRETT**

COMES NOW, M. Sue Sheridan Jarrett as a person with party status in the above referenced rulemaking proceeding Joins in the Notice of Objections to the Executive Session as if set forth in full herein.

Once again I state that certain members of this commission, staff members, and other parties are attorneys and are sworn to uphold the law and cannot take it upon themselves to violate the law. They must honor their own statements on record and the laws as passed and made statutory law and the administrative proceeds that govern this commission.

Once again I put a motion before the commission and they failed to allow me to address my own motion and they fail to respond to my motions in a timely fashion as I objected to further proceedings and put forth a motion to stay which I believe requires and immediate ruling not day or more later after further proceedings. Again I believe that my due process as a party status individual has been violated numerous times and I incorporate all previous objections to the proceedings.

Respectfully submitted this 20<sup>th</sup> day of <sup>August</sup> ~~July~~, 2008:
